I can't live like  
this! I am going to  
control my own  
destiny!

I am the  
master of my  
own fate!

SO SHE DIDN'T  
GO TO WORK.

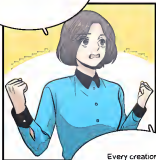

Assistant Kang  
said that the time  
loop is not physically  
possible.

So let's look  
at this as a graduate  
in creative writing...This  
has to be a creation by  
somebody other  
than God!

Humanity strives to find reason in things created by God, but humans must already know the reason behind man-made creations!

Every creation is a way of expressing something! What does the writer want to show by creating this situation?

EVEN IF THE WRITER HAD  
SOMETHING IN MIND, SHE SURELY  
WOULDN'T WANT TO SEE A GIRL  
WHO HAS LARGE BREASTS AND A  
HANDSOME MIDDLE-AGED MAN  
HAVE A HARD TIME BECAUSE OF  
A STUPID TIME LOOP!

LET'S BUY AND EAT  
BEEF TRIPE WHEN I HAVE  
MY PAYCHECK! SHE WOULDN'T  
HAVE MADE A STORY BY  
THINKING LIKE THIS!

*Let's think  
about the rules  
I have learnt up  
until now...*

*I told him to die  
in three languages, but  
he didn't die. That must  
mean that if the day is  
resolved peacefully... And  
no matter how much I tell  
him to die... The time loop  
is not going to  
continue.*

The time  
loop happened  
when I killed  
him.

That must be  
because he still  
has conflict with  
assistant Choi.

*I should have  
taken Junghwa and  
escaped outside  
on the 15th.*

*No... On that day I got  
rid of all the chopsticks in the  
cafeteria but nothing helped.  
He made a pair of chopsticks  
appear out of nowhere  
regardless.*

Even if we ran,  
he would have followed  
us to the other side of  
the Earth to try and  
teach us a lesson.

When there is a  
situation, it doesn't  
change...

LIKE... IF I SAVE THE CHIEF FROM  
BEING HIT BY A TRUCK. LATER ON THE  
BUSINESS SIGN IS GOING TO STRIKE  
HIM AND HE WILL DIE ANYWAY.

I GOT RID OF ALL  
CHOPSTICKS

→

HE CREATED  
CHOPSTICKS AND  
BROUGHT THEM OUT  
OF NOWHERE.

The only way  
that this time loop  
can be stopped is  
with my personal  
intervention...

EVERY TIME LOOP  
HAS A PURPOSE.

THERE IS A TIME LOOP TO SAVE A PERSON YOU LOVE.

THERE IS A TIME LOOP TO FIND LOVE.

THERE IS A TIME LOOP TO SAVE THE EARTH.

What does  
this time loop want  
from me?

Does it want  
me to turn the  
chief into a proper  
human being?

Is somebody  
sending me a  
message?

turn him...

...into a proper person.

Sacrifice my life...  
To fix that guy?

They want me to  
stick by the chief  
for my entire  
life?

No! I can't  
be controlled by  
him like this  
anymore

I will find out the  
way to get rid of  
this situation.

*I have to  
find the root of  
the problem.*

*I am going  
to meet the  
chief?*

*He's still alive.*

*It's late...  
It looks like nothing  
big happened at  
work today.*

If the chief  
doesn't have to  
be cursed...

If he becomes  
nice... I don't have  
to do anything  
crazy and stop  
him?

*Ugh... I brought him  
here, but I don't know  
how to tell him...*

*Why did  
you bring me  
here?*

I am living  
in a time loop  
because the chief  
is living like  
a dog.

You should  
stop if you don't  
want to die! You  
lunatic!

No...

No!

Ah, first...  
Let's smooth  
things over.

I'm sorry for  
pointing my finger  
and speaking rudely to  
you the day before  
yesterday.

And I'm sorry for  
closing your mouth rudely at  
the cafeteria. I wanted to  
apologize to you...

But...  
But you can criticize  
people very harshly  
sometimes...

Can't you stop criticizing  
people for their personalities  
when it has nothing to do with  
their ability to perform  
at work?

Criticizing their  
personality? When  
do I do things  
like that?

Don't  
pretend like you  
are unaware! At  
the time...

Ugh...  
I blocked it all, so  
I can't remember  
anything.

Anyway...  
You are capable  
of motivating us  
properly,

but when you  
speak too rudely the  
workers start to make  
mistakes... And the  
teamwork...

Did I employ children?! If you want to hear only good things, you should go back to the nursery!

When things start to be difficult and hard-going you always make excuses and say that you are sick. That is all because you are weak and have no willpower!

I worked much  
harder when I was  
your age!

*I want to kill  
him already...!!*

No.

**BARK BARK  
YOU SHOULD LISTEN  
TO THESE HARSH  
WORDS AND BARK  
BARK YOU SHOULD  
BE STRONGER!**

**WHEN  
YOU ARE SHAKEN A  
THOUSAND TIMES! BARK  
BARK! WHEN YOU ARE  
SICK! BARK BARK!  
SECRET! BARK  
BARK!**

**THIS IS  
ALL THE DOG'S  
WAY OF TALKING...  
THE DOG'S WAY  
OF TALKING...**

**YOU SHOULD BE  
GRATEFUL THAT YOU  
HAVE A JOB! DON'T ACT  
LIKE A BABY!**

**WE HAD A  
MUCH HARDER  
TIME THAN YOU!**

WHY ARE YOU  
SAYING THAT WHEN  
EVERYTHING IS NOT  
GOING YOUR WAY? NOW  
WHO IS ACTING LIKE  
A BABY!!

DIE! JUST!  
DIE!

The 16th.  
Morning 12:00

Haha, I know this  
would happen... I can't  
talk to him! I have no  
confidence that I  
will ever win.

But the main  
character of today's  
time loop is me.

Then I am going to  
use standard tactics...  
I am going to give him  
a taste of his own  
medicine!

Please follow  
the black K7 car  
ahead of us.

**BEEP BEEP BEEP**

SMACK....!

Happy if  
you died.
